YEAR IN EATER 2010

## The Top Restaurant Newcomers of 2010

Monday, December 27, 2010, by Paula Forbes

As is the tradition at Eater, our closeout of the year is a survey of industry types, writers, and readers. This year, we asked the group eight questions, from Best Newcomers to Top Standbys. All will be answered by the time we turn off the lights on Thursday. Responses are related in no particular order; all are cut, pasted and unedited (except when unopened restaurants were named) herein:
